valuation internship

Cluj-Napoca
September 2015

Cluj-Napoca *pilot* valuation internship

Who we are & what we do

We offer **high quality financial advisory services** under standards applied by top international companies. Veridio aims to become a **center of excellence** in providing financial advisory services to entrepreneurs and companies operating in Romania and abroad, being led by **Adrian Vascu**.

Adrian has over **20 years' experience in valuation services** (1994: Darian DRS, 2008: Senior Director KPMG, 2015: Founding Partner Veridio), and is a leading figure of the valuation community, currently in his second term as **president of the National Association of Authorized Valuers in Romania (ANEVAR)**. Adrian is a member of the Board of TEGoVA (The European Group of Valuers' Association) and benefits from a wide experience, gained by performing and coordinating **hundreds of valuation reports**.

A **team of professionals** joins Adrian with a combination of skills acquired through both **formal education** and through **practice** in a number of companies (from small local businesses to multinational companies). Our team members are members of reputable professional bodies: **MAA** (ANEVAR Accredited Member), **REV** (Recognised European Valuer), **MRICS** (Royal Institute of Chartered Surveyors), **CECCAR**, **CCF**.

We are **headquartered in Bucharest** and have a **secondary office in Cluj-Napoca**.

We love our jobs and we enjoy our work.

What we are looking for

- Students in the 2nd/3rd year undergraduate, or 1st and 2nd year postgraduate studies in Economics/ Polytechnics
- Desire to develop a career in valuation
- Strong analytical skills and math skills
- Good writing skills
- Good command of professional English
- Committed to professional excellence
- Creative problem solving skills
- Self-motivated and eager to learn, with good communication skills
- Ability to adapt to an intensive work environment
- Strong MS Excel and MS PowerPoint skills, VBA would be considered a plus

Cluj-Napoca *pilot* valuation internship

Description

- You will be working in our Cluj-Napoca office, part of our young team, led by two senior managers.
- You will benefit from a tailored learning & development scheme, which will target the use of your skills and capabilities for both business valuation and real estate valuation.
- You will be part of our actual client projects and bring a contribution to our work.
- The programme is flexible, between 6 months and a year.
- The work hours are also flexible, 6 hours per day, between 8 am - 6 pm.
- You'll get exposure to a wide range of work from different clients, both national and international.
- You'll build your skills and your confidence by working alongside reputed valuation specialists, and **we hope you'll have fun in the process.**

How to get on board

- If *you* are interested, **please send us your CV** at **grow@veridio.ro** by **September 2015**.
- If *we* are interested, we will contact you to set up an interview.
- The interview will also include a written test in English.
- We will make up our mind in max. 2 weeks, and we hope for the programme to begin by mid September - October, pending on your availability.

Thank you for the **opportunity** of *meeting with us!*

We believe that sincerity and honesty must prevail in all our relationships with clients and business partners. We believe that there are no "small" or "large" clients and our respect builds value to the relationship with the client. We believe that professional standards and best practices are not abstract concepts and their compliance contributes to raising the quality of services. We believe that we can offer our clients added value by providing them with all our knowledge, experience and work energy.

& We believe that the most important thing we can receive from our clients is their trust.
